

How to Delete an Outcome in Chart View

This guide provides step-by-step instructions on how to delete an outcome in Chart View. By following these steps, users can easily remove an outcome and streamline their strategic planning process.

1 Click on the outcome box you wish to delete.

2 Click on the trash can in the top right corner of the box.

3 A pop-up will appear to ensure that you truly wish to delete the outcome, if you do click the "Yes."

If you wish to keep the outcome, click "No" to remove the pop-up box and continue working.
